

In Loving Memory of Peter Okello

16.01.1994 - 11.06.2023

Peter was a wonderful young man who joined John Chilton School as a sports apprentice and stayed to continue working with us. Peter had additional needs himself and was a true role model to our pupils for determination and ambition.

Peter was a joy to be around- his enthusiasm and love for his work was inspirational. Sadly, and unexpectedly, he died of complications from appendicitis at the age of 29. He has left a lasting memory and legacy for the school, and we think of his family at this devastating time.

His family would like to bury Peter in Uganda and if you would like to donate in his memory, please contact the school office for details.
